

SPRING 2026 BREWS

Inky Smoked Black Lager (5.1% ABV) | 9

A smooth black lager brewed with cherrywood-smoked wheat. Clean smoke flavor without the heavy roast—dark, silky, and balanced.

Punch Out IPA (7.6% ABV) | 9

This beer has a wicked left-right combo and the eye of the tiger! Loaded with Krush Lotus and Mosaic hops - jump in the ring and dance with the mango, berry and peach flavors.

Raiden - Doppelbock (7.0% ABV) | 9

Thunderous malt character rich with caramel, toasted bread, and a crackle of dark cherry. Finish him!

Space - Irish Stout (5% ABV) | 9

Dark like the emptiness of space! Swirling aromas of caramel and biscuit cookies. This stout drinks dry and roasty with flavors of coffee and dark malt. Come see what lies in the darkness!

Invader English Pale (4.8% abv) | 9

Brewed with NY-grown malt and traditional Cluster hops, Invader is a nod to classic English pale ales. Soft biscuit and light toffee malt character meet gentle herbal bitterness and a touch of citrus

Cool Hands Rice Lager (4.5% ABV) | 9

A crisp, ultra-clean rice lager dry-hopped with Contessa for a soft floral aroma. Smooth, light, and seriously refreshing.

Skillbilly IPA (6.7% ABV) | 9

Double dry-hopped with Sultana, Eureka, and Trident, this IPA delivers a firm bitter bite and layers of bright, resinous hop flavor.

The Triforce NEIPA (6% ABV) | 9

Bursting with Alora and Galaxy hops, this hazy IPA glows with flavors of peach, apricot, and melon.

Space Invader Black & Tan | 9

Level up your game with this limited-availability pour. Golden Invader English Pale powers up the base, while a dark layer of Space Stout floats above - two beers, one perfectly stacked combo.
